

The Solo Pack Plus Guide

(Starting at \$369/month)

Description

The Solo Pack + Guide package includes all services offered in The Solo Pack combined with the power of our Explorer package for small and mid-sized businesses. This package includes everything you need to scale your sole proprietorship, including additional controller services, managed bookkeeping for up to 100 transactions per month, and payroll support. The Solo Pack + Guide service lets you focus on running your business. We'll take care of everything else.
