

The Solo Pack

(Starting at \$179/month)

Description

The Solo Pack service package is a great option for sole proprietors looking for an affordable and comprehensive accounting and tax solution. This package includes essential services such as preparation and filing of GST/PST returns, access to Xero/Quickbooks and Hubdoc cloud software subscriptions, and dedicated accounting support. It also includes setup, initial training, quarterly bookkeeping reviews, controller/accounting services of up to 2 hours annually, and preparation of up to 2 personal tax returns. It's the perfect mix for sole proprietors: affordable, yet thorough.
