

The Trailblazer

(Starting at \$399/month)

Description

The Trailblazer service package is an all-in-one accounting support solution for small businesses. Starting at \$399 per month, you'll receive access to Xero/Quickbooks cloud based bookkeeping softwares, Hubdoc receipt management bank, preparation and filing of your T2 Corporation Tax and the completion of your GST and PST returns. We will also provide quarterly bookkeeping reviews, and up to 2 hours of controller/accounting services annually. This package even includes preparation of annual compilation engagements and basic personal tax returns, making it an ideal all-in-one solution for startup corporations.
